

- alessandro, jorge, sydney, owen 8; Steve 8
- discussed edits in the SRS
- added tracking user subs, moved billing notifications to Notifications category
- changed the list of sorting to: subscription, cast, actors, genres, year, and director
- added favorites in user webpage
- Moved over valid pieces of the old SRS
- decided on formatting when porting over logging and security
- website still isn't up: Steve will contact InMotion Hosting to see if there are any problems
